

ANNOUNCEMENT: CHANGE TO THE 120X

August 20, 2019

Dear 120X Rider:

CAT and rabbittransit announce a partnership to ensure the continued success of Route 120X.

CAT is currently facing a significant unfunded deficit in their operating budget. To address this issue through service adjustments alone, CAT would need to conduct a 24% service reduction.

CAT has launched a multipoint modernization plan. The plan includes new technology, fare payment systems, operational efficiencies and a service redesign.

From the aspect of operational efficiency, CAT will be terminating the 120X service. The rabbitEXPRESS will be adding the Winding Hill Road stop to the 15N service.

WHAT DOES THIS MEAN FOR YOU?

- There is a very slight change in the schedule – please see reverse.
- The base fare for this stop will be \$1.75, with a planned increase of \$0.05 in November to \$1.80.
- Monthly passes will still be purchased through CAT.
- rabbittransit will honor CAT's fares and passes at the Winding Hill Park and Ride.
- This transfer will take effect **September 3, 2019**.

If you have any questions, please contact us at info@rabbittransit.org.
