

## York County Transit Update

March 2008

### Reservation Change

Over the last several years, rabbittransit has seen an increase in the number of riders who are requesting the use of paratransit service. Along with this trend, we have seen an increasing level of complexity in trips that span across a wider geographic range, thus causing the scheduling process to take longer.

In response to this situation, beginning on April 1, 2008, rabbittransit will be accepting trip reservations until 11:00 a.m., instead of 12:00 p.m. — the deadline that had previously been in effect. Shifting the trip reservation deadline allows us to better accommodate rider requests.

### rabbittransit Children's Series

rabbittransit is the proud sponsor of the York Little Theatre's Children's Series. The second production in the Children's Series line up includes "**The Three Musketeers**" which opens March 7 and plays for two consecutive performances: March 7-9 & 14-16.

For a complete list of productions, please visit [rabbittransit.org](http://rabbittransit.org) and follow the link.

### Celebrate St. Patty's Downtown

rabbittransit will again participate in the annual St. Patrick's Day Parade on Saturday, March 15, 2008. Look for the red bus with the green shamrocks.

Please anticipate minor route changes due to the parade route. Check the website for the latest details.

rabbittransit will be running its special St. Patrick's Day Route on the Green Machine on Monday, March 17, from 8:30 p.m. to 2:30 a.m. For a location map and schedule information, check out our website at [www.rabbittransit.org/greenmachine](http://www.rabbittransit.org/greenmachine).
