Health and Wealth: Celebrate Bike to Work Week!

In an effort to support a healthier environment and a reduction in our energy consumption, rabbittransit encourages everyone to participate in Bike to Work Week, May 12th – 16th. Any passenger, who boards a rabbittransit fixed route bus with a bike during this week, will ride for free. rabbittransit has also partnered with Gung Ho Bikes to offer 20 refurbished bicycles to York County residents who will use transit and the bike to access their employment.

A 2007 service survey stated that 25% of passengers are traveling farther to and from bus stops. There's been a 34% increase in the number of bikes being used on the fixed route bus system – that's over 300 average bikes boarding per month. Applications for bikes can be picked up at rabbittransit's downtown transfer center.
