Commuter bus service is a great way for employees to save money and forget the stress of traffic, gas prices and wear and tear on their cars! Weekday service is available via rabbitEXPRESS from York to Maryland (Hunt Valley, Timonium and Towson), York to Harrisburg and Gettysburg to Harrisburg.

An Emergency Ride Home (ERH) reimbursement program is available through our partner, Commuter Services of PA, to rabbitEXPRESS riders who commute at least twice per week.

Vanpools:

Vanpools are ideal for long-distance commutes. This is a turn-key program including insurance and maintenance. Subsidy assistance available for most groups.

We Offer a Variety of Alternative Transportation Solutions

Subsidized Shuttles and Specialized Routes and Park and Ride:

Need transportation for your employees? Perhaps we can collaborate on a new bus stop or deviate a route near your location. Subsidized shuttles are becoming increasingly popular to get your workforce to where you need them.

Park and Ride:

Lots are available for connecting to alternative transportation solutions. Have a group of employees meet to carpool or vanpool from a designated Park and Ride location.

Employees can also use designated Park and Ride locations to connect to rabbittransit's fixed-route service via rabbitEXPRESS.
