ADA Complementary Paratransit Program (ADA)

For qualified individuals who cannot use fixed route bus service, ADA Complementary Paratransit is for trips that originate/end within ¾ mile of a fixed route bus. This service operates during the same days and hours as fixed route service. A one-way paratransit fare for ADA Complementary Paratransit is typically twice the amount of the current bus fare for fixed route. This service is not eligible on **rabbittransit** commuter routes.

PARATRÁNSITO DE ADA (ADA)

Personas que cumplan con los requisitos y que no puedan usar el servicio de autobuses de rutas fijas. El Programa complementario de paratransito de ADA es para viajes que se originan o terminan en un radio de ¾ de milla de un autobús de ruta fija. Este servicio funciona durante los mismos días y horas que el servicio de ruta fija. Una tarifa de paratransito unidireccional para ADA Complementary Paratransit es típicamente dos veces la cantidad de la tarifa actual de autobús para la ruta fija. Este servicio no es elegible en las rutas **rabbittransit** commuter.

How to Ride Fixed Route

Identifying Your Bus

Each bus has an assigned number or letter and is named by its farthest destination. The destination of each bus is displayed on the destination sign above the windshield and also to the left of the front door. If you have any questions about which bus to board while using the transit system, please ask the operator or call the **rabbittransit** Main Office for assistance. **rabbittransit** buses are also equipped with onboard audio announcements which broadcast the major stops and schedule time points.

Boarding the Bus

Always try to arrive a few minutes early. **Be sure to stand on the same side of the road that the bus is traveling. As your bus approaches, raise your hand to signal the bus operator that you want to board.** Read the destination signs on the front or side of the bus — they tell you the route number and where it's headed. When the correct bus arrives, have the exact fare, your digital pass pulled up on your phone, or your smart card ready. Please allow any passengers to exit before you board. Once on the bus, insert your money or your myPass card into the farebox next to the operator. After paying your fare, please take an empty seat. If you must stand, hold on to a handrail or post. Please remember the front seats are reserved for senior citizens and passengers with disabilities.

As you are riding, pay attention and watch for your stop. About a block before your stop, let the operator know you want to exit by pulling the cord or pressing the rubber strip between the windows. If you don't know the area, ask the operator to let you know when nearing your stop.

Transferring Buses

If you need to use more than one bus to complete a one-way trip, ask the operator of your first bus for a transfer when paying your fare. Transfers are free when connecting between local routes or connecting from commuter routes to local routes. The cost of a transfer is \$2.00 when connecting from local routes to commuter routes. Transfers must be used within 120 minutes of receipt and cannot be used for a return trip. To use the transfer, simply insert it into the slot on the top of the farebox. Transfer connections are not guaranteed.

Leaving the Bus

Remain seated until the bus comes to a complete stop. Please use the rear door to exit the bus. Remember to always check traffic when exiting. Traffic doesn't stop for our buses like it does for a school bus, so never cross in front of the bus!

Accessibility/Reasonable Modification:

All buses are equipped with lifts and kneelers to assist riders traveling with a wheelchair or other mobility device. Passengers may request reasonable modifications to assist them in accessing mobility services. Passengers may contact the customer service office at 1-800-632-9063 for more information or email info@rabbittransit.org.

Remember, operators don't carry cash and can't make change!

Cómo Viajar en una Ruta Fija

Identificar su Autobús

Cada bus tiene un número o letra asignada y es nombrado por su destino más lejano. El destino de cada autobús se muestra en el letrero de la cabeza sobre el parabrisas y también a la izquierda de la puerta principal. Si tiene alguna pregunta sobre qué autobús abordar mientras usa el sistema de tránsito, consulte al conductor o llame a la oficina principal de **rabbittransit** para obtener asistencia.

Los autobuses **rabbittransit** también están equipados con anuncios de audio a bordo que transmiten las principales paradas y programan los horarios.

Abordar el Autobús

Siempre trate de llegar unos minutos antes. Asegúrese de estar parado del lado de la ruta en cuya dirección se desplaza el autobús. A medida que su autobús se acerca, levante la mano para indicar al operador de autobús que desea abordar. Lea los rótulos electrónicos al frente o lado del autobús —éstos le dicen el número de la ruta y hacia dónde se dirige—. Cuando llegue el autobús correcto, ten la tarifa exacta, tu pase digital descargado en tu teléfono o tu tarjeta inteligente lista. Por favor, permita que los pasajeros bajen antes de abordar el autobús. Una vez en el autobús, introduzca su dinero o su tarjeta myPass en la máquina para pagar que se encuentra al lado del conductor. Después de pagar su pasaje, por favor siéntese en un asiento vacío. Si debe permanecer de pie, agárrese de un pasamanos o un poste. Por favor, recuerde que los asientos delanteros están reservados para ancianos y pasajeros con incapacidades.

Al viajar, preste atención a su parada de destino. Aproximadamente una cuadra antes de su parada de destino, hágale saber al conductor que se va a bajar jalando el cordón o presionando la banda de caucho entre las ventanas. Si no conoce el área, pídale al conductor que le haga saber al estar cerca de su parada de destino.

Transbordo entre Autobuses

Si necesitas usar más de un autobús para completar un viaje de ida, pídele al conductor de tu primer autobús un traslado al pagar tu tarifa. Las transferencias son gratuitas cuando se conecta entre rutas locales o desde rutas de cercanías a rutas locales. El costo de una transferencia es \$2.00 cuando se conecta desde las rutas locales a las rutas de cercanías. Las transferencias deben utilizarse en un plazo de 120 minutos a partir de la recepción y no pueden utilizarse para un viaje de ida y vuelta. Para utilizar la transferencia, simplemente insertarla en la caja de despedida en la ranura situada en la parte superior.

Salir del Autobús

Permanezca sentado hasta que el autobús se haya detenido por completo. Por favor, use la puerta trasera para salir del autobús. Al salir del autobús, recuerde siempre poner atención al tráfico. ¡El tráfico no se detiene por nuestros autobuses como lo hace por un ómnibus escolar, así que nunca cruce delante del autobús!

Accesibilidad/Modificación Razonable:

Todos los autobuses están equipados con elevadores y reclinatorios para ayudar a los pasajeros que viajan con una silla de ruedas u otro dispositivo para movilidad. El pasajero puede solicitar ciertas modificaciones para ayudarlo a acceder a los servicios de movilidad. Para esto, la persona debe ponerse en contacto con la oficina de planificación de movilidad llamando al 1-800-632-9063 o enviando un mensaje a info@rabbittransit.org para obtener más información.

¡Recuerde, los conductores no llevan dinero en efectivo y no pueden darle cambio!

Passenger Etiquette

To make your ride as safe and enjoyable as possible, please follow these tips:

- ✓ Do not smoke, eat or drink on the bus. The use of e-cigarettes is prohibited.
- ✓ Do not litter on or off the bus. Many bus stop areas are on private property and could be removed.

- ✓ Guide/service animals are permitted aboard the bus.
- ✓ For those traveling with pets, we ask riders to bring pets onboard who are fully contained in a pet carrier. The carrier should be able to ride on your lap if extra space is needed for other passengers onboard.

- ✓ Do not lean against the bus doors.
- ✓ Aisles must be kept clear of strollers, carts, packages, etc.

Para hacer su viaje tan seguro y agradable como sea posible, por favor sigue estos consejos:

- ✓ No tire basura en el autobús o fuera de él. Muchas áreas de paradas del autobús están en propiedad privada y podrían ser eliminadas.
- ✓ Sea cortés. Los asientos al lado de las puertas están reservados para ancianos y pasajeros con incapacidades.

- ✓ Evite maldecir y usar malas palabras.

VETERANS TRANSPORTATION

A NO-COST SERVICE FOR VETS

The veterans employment transportation program provides an 11-Ride Pass for the fixed route system to attend job interviews.

Transportation to select VA hospitals is provided at no cost to veterans within Adams, Columbia, Cumberland, Dauphin, Franklin, Montour and York Counties.

We are able to make this a no-cost service to veterans through generous donations received throughout the community. Mail donations to rabbitcares, 415 N. Zarfoss Drive, York, PA 17404.

PEDAL. HOP. PEDAL.

Bring Your Bike On The Bus!

Include **rabbittransit** in your bike trip—you'll do more, see more, explore more, and get there faster—and **bikes ride FREE!** That's right; bring your bike aboard at no extra charge. For your convenience, **rabbittransit** has placed bike racks on the front of our fixed route buses. Bring your bike on the bus as an alternative to pedaling your entire route, to avoid inclement weather, or to overcome other obstacles like hills and crowded city streets.

Load Your Bike on the Bus in a Snap

Please have your bicycle ready to load and free of any loose items. When **rabbittransit** arrives, inform the bus operator that you will be loading your bike. **Note:** Due to the width of most e-bike tires, the rack may not accommodate the bike, and it would need to be taken on board the vehicle.

- 1 At the front of the bus, grab and squeeze the bicycle rack handle, then lower the rack out and away from the bus.
- 2 Lift your bike onto the rack and align its wheels into the wheel wells closest to the bus.
- 3 Secure your bike by lifting and setting the support arm over your bike's tire, and you're done!

When getting off the bus, inform your operator that you will be unloading your bike. To unload your bike, simply reverse steps #2 and #3. Remember to put the bike rack in its upright and locked position if you are the last to use it.

Transit Watch: Safety & Security

rabbittransit participates in the nationwide Transit Watch effort to ensure the security of our public transportation network. The campaign is designed to encourage the active participation of transit passengers and employees in working together to maintain a transit-safe environment.

Be Involved.

Be observant, watchful and aware:

- If something does not look quite right, report it to the authorities.
- Take the initiative and become the community's transit eyes and ears.
- We can all count on a safe ride if we look out for each other.

Be Informed.

Have a Transit Plan of Action:

- Remain calm and listen to bus announcements.
- Follow authority instructions in a speedy but orderly fashion.
- Do not block bus doors from closing.
- Assist fellow passengers and follow the Golden Rule:

"Watch out for the safety of others just as you would have them watch out for your safety."

Be Alert.

When we all make a commitment to be alert when riding transit, the result is a first-rate line of defense against a natural or man-made disaster. Look for the following:

Suspicious Packages

If you spot an unattended package, look for the following:

- Placement in an out-of-the-way location
- Individuals in the act of abandoning the package and hastily departing the area
- Unusual attached batteries, wires, tanks, bottles or bags that might contain chemicals
- An attached message
- A suspicious cloud, gas, vapor, odor or seeping fluid
- Nearby individuals showing signs of illness or distress

Suspicious Behavior

If you spot any suspicious individuals engaged in questionable activity, look for the following:

- Visible signs of nervousness
- Excessive sweating
- Sprayer bottles or aerosol canisters
- Inappropriate clothing that is excessively baggy or too heavy in warm weather

Recommended Course of Action:

- Do not confront suspicious individuals. Contact a transit employee or the police immediately.
